

Kentucky Association of Career and Technical Education Post-Secondary Program of Distinction

KACTE will recognize post-secondary institutional programs/departments that have led and inspired students, faculty, communities and/or industry partners that have demonstrated excellence in their CTE field and advocated for KACTE. One member of the representing institution, department, or program must be a dues paying KACTE member for the application to be valid.

Please complete the general information portion of the form and the nine proficiency areas below. Be specific in your response to each area so your events, activities, and behaviors reflect that proficiency statement. Limit your response to 250 words per proficiency area. Also, please provide evidence for each proficiency area achieved through pictures or files that reflect your programs level of excellence or attainment in that proficiency area.
